

# Rapidprint ARL-E

## DATE AND TIME VALIDATING MACHINE

The ARL-E is for imprinting a variety of time, date and message combinations. This machine prints date and time automatically when paper is inserted. It has adjustable stamping force for multi-copy form and easy change ribbons advance and reverse automatically. Solid-state electronic circuitry assures consistent impressions. Rugged die-cast case has a sturdy lock to prevent tampering. Solid brass type wheels provide superior imprint and durability.

## BENEFITS

- Easy Change Ribbons with Automatic Advance and Reserve Action
- Imprints Date and Time Automatically
- Adjustable Stamping for Multi-Copy Form
- Solid-State Circuitry
- Rugged Die-Cast Case with Lock
- Solid Brass Type Wheels
