

Daylight Savings Handpunch Clock Update Date Effective: 11/06/2022

Time Management Systems Handpunch Clock Update

Notification

This document includes directions on updating the Handpunch time clock for the Daylight Savings Change for customers with Attendance Enterprise.

Important Note: The following steps must be completed as soon as possible to ensure the clock is set to appropriately adjust for the Daylight Savings Time change occurring on November 6, 2022.

Steps:

Changing DST for the System Date

- 1. Login to Attendance Enterprise.
- 2. Click 🔮 to launch the Operational Settings window.
- 3. Click the Daylight Savings tab.
- 4. Click the "Clear List" button to remove all previously defined DST dates. These dates are defined using either old rules or Build North American Defaults button.

- 5. Click on the Build North American Defaults button
- 6. Click OK to save operational settings.

Changing DST on Station Properties

- 7. From the folder list, double-click on Tasks then click on Communication. Perform a Poll of the clock.
- 8. From the folder list, double-click on System Setup, then double-click on Data Collection, then open the Stations folder.
 - a. The clock(s) will be displayed on the right.
- 9. Right click on a clock and then left click Properties.

a. Select the button Terminal Properties the following screen should appear.

General Setup 1 Set Aux Out 0 Aux Out 1 Aux 0	Setup 3 Passwords Daylight Savings
